

CHILDHOOD IMMUNIZATIONS NOW AVAILABLE BY APPOINTMENT

The Fairfield Department of Health is offering appointments for children needing routine immunizations, and students needing the Tdap booster shot. The immunizations will be offered by appointment only by calling 740-653-4489.

Parents are reminded to bring their child's immunization record with them. Fees for the childhood immunizations vary or you must bring your Medicaid card (including those with CareSource and Molina). Cash, credit cards or checks are acceptable from non-Medicaid families. A receipt will be provided for families who have private insurance vaccine coverage so they can get insurance reimbursement.
