

WEB PAGE RESPONSE PLAN PUBLIC NOTICE

Under the Public Health Emergency Preparedness (PHEP) Grant, the Fairfield Department of Health is required to notify the public on emergency planning activities.

The Fairfield Department of Health Emergency Response Plan and its annexes describe health department activities in response to natural and manmade disasters, terrorist incidents, and infectious diseases.

All emergency response plans are reviewed, exercised and updated in such a manner that they are consistent with local, regional, state and federal regulations, standards and policies.

Listed below are the planning activities for Quarter 2 of 2017 (April through June):

MONTH	PLAN REVIEW
April	Mass Care Plan Natural Emergencies Plan Epidemiological Response Plan
May	Closed POD Plan Volunteer Management Plan
