

# ATTENTION HOMEOWNERS!

## **FDH still has funds from the Water Pollution Control Fund for 2018 (WPCLF)**

FDH still has funds through Ohio EPA's Water Pollution Control Loan Fund program. These funds will allow us to provide assistance to low to moderate income homeowners to repair or replace their failing septic systems. Eligible applicants can receive funds to cover up to 100% of cost.

Kelly Spindler, RS, Environmental Director, stated that, "The program has been extremely rewarding, and the department is happy to be able to work with the program to help the environment and the people of Fairfield County."

If you, or someone you know, could benefit from this program, call Kelly Spindler at 740-652-2823.
