

The Ohio Department of Agriculture, Plant Pest Control Section and the USDA- Forest Service, Slow the Spread Program (STS) will be conducting an aerial treatment for the control of an invasive insect, *Lymantria dispar* L. (Gypsy Moth) that has been found in your area.

The mating disruption treatments will begin sometime during the middle of June, moving from southern Ohio to northern Ohio. For treatment dates once the project begins, you can call 1-800-282-1955, ext. 37 or 1-614-387-0907 after 5:00pm for a pre-recorded message updating our activities for the next day. Or you can call 1-800-282-1955, ext. 34 or 1-614-728-6400, between 8:00am and 5:00pm, Monday thru Friday, to talk with an ODA official. Our e-mail is plantpest@agri.ohio.gov
